

QUESTIONS AND ANSWERS

Mayfield, Utah, November 5.
Kindly answer in your Questions and Answers what is the value or market value of manganese per pound, or what would be the value of rock that goes 18 of manganese.

J. S. MARTENSON.

Pure metal manganese is worth 75c per pound in Chicago. As to the worth of such ore you had better write to one of the smelters.

Pocatello, Idaho, November 2.
Will you please answer in next Sunday's paper, what you know about the old violin maker. I know of a violin that has on the inside the inscription, "Antonio Stradivarius Cremonensis, Sacellus Anno 1790." And on the back, burned with a needle the name "Rossini." Is this the name of a musician or a violin maker? J. B.

The first inscription is that of a very great and famous violin maker; the second, that of an illustrious musician.

Salt Lake City, November 3.
I paid taxes on my dog in Salt Lake City, and I moved 130 miles south, and they requested me to pay taxes again. Does the law uphold them in this?

M. J. K.

Probably so; and anyway, it is cheaper to pay than to refuse.

Milford, October 30.
Please send me the correct answer to the following: (1) How much time after locating a mineral claim in Utah is the locator to work his first assessment? (2) When does the State legislature meet again? (3) Who is the senator from Weber county?

Salt Lake City, November 2.
Can a mother be refused of seeing her son in Utah State Prison when he is in for life, and there unjustly; also refused of receiving any letter from her son?

MOTHER.

All such matters are governed by law and regulation. There is no presumption of denial of rights. All visiting and all correspondence are under the supervision of the prison authorities.

Fruita, Colorado, November 3.
Will you kindly state in your Question and Answer column whether or not in the State of Colorado, a debt contracted by a widowed parent can be collected from a married son or a single son, after parent's death? Such son was not living in same house with parent at the time debt accrued.

GRACER.

Probably not; but you had better consult a lawyer.

Rock Springs, Wyo., November 6.
(1) Is John P. Sousa's band considered the best band in the world? If not, please state what others excel him. (2) Has Robt. Easton the Utah singer, gained fame in the musical firmament?

A SUBSCRIBER.

(1) Yes; it is the best, so far as we can judge by its fame. (2) Yes.

Salt Lake City, Utah, October 19.
Please answer in tomorrow's issue if there is such a word in the English language as "incomprehensibility?"

JOHN T. MATHES.

Kimberly, Utah, October 31.
Please advise me where I can obtain the necessary information to take the steps to secure a timber claim in the states of Washington and Idaho, and thence, yours truly.

W. M. G.

Write to the Secretary of the Interior, Washington D. C., or to any U. S. and Office; probably the latter, the one nearest to the land you wish to file in.

A Reliable Remedy for Croup.

With the dry, cold weather of the early winter months, parents of croupy children should be on the alert for ominous symptoms. There is no cause for anxiety, however, when Chamberlain's Cough Remedy is kept in the home. If this medicine is given as soon as the child becomes hoarse, or even after the croupy cough has appeared, the attack may be warded off.

Mrs. S. Koshthal, of Turner, Michigan, says: "We have used Chamberlain's Cough Remedy for ourselves and children for several years and like it very much. I think it is the only remedy for croup and can highly recommend it." For sale by all druggists.

The postmaster at Gasconade, Mo., Daniel A. Bugh, says: "I cannot say on much for your Kidney and Bladder Pills. I feel like a new man." De Witt's Kidney and Bladder Pills are sold by Anstee-Brice Drug Co.
